# mini **Revision Set 1**

**B2/B2+**

Choose the correct word:

I have a/an \_\_\_ stomach.  
I must have eaten something off.

poisoning

upset

twisted

nauseous

I have **an upset stomach**.  
I must have eaten something off.

- Can you use '**poisoning**' in a sentence?
- What does **nauseous** mean?
- What can be **twisted**?

Choose the best synonym:

**I'm under the weather. = I \_\_\_\_**

feel ill

got soaked

'm fed up

'm anxious

I'm **under the weather**.

= I feel ill.

- What are you **fed up with**?
- Have you ever **got soaked**?
- When do you usually **feel anxious**?

- How often do you **catch a cold**? What are the symptoms of **the common cold**?
- What safety measures can you take in order not to **contract a disease**?

REACT:

'I feel a bit **under the weather**.

What should I do?'

'I have **an upset stomach**.

What should I do?'

Translate the phrases.

She (*pracuje tam od*) many years.

She (*kiedyś pracowała dla*) the  
**competitors.**

*She has been working there for many years.*

*She used to work for the*  
**competitors.**

Are you **career-oriented**?

Which do you find more important:  
experience or **qualifications**?

REACT:

'I'm going to **attend a job interview**  
next week. How should I prepare for  
it?'

Use the given words to create the sentence.

- It's high time (*students / start / revise*) for the exams.
- They (*should / attend*) their classes online but some of them didn't.
- I bet they (*wish / they / not / play*) truant last month.

- It's high time *the students started revising* for the exams.
- They *should have attended* their classes online but some of them didn't.
- I bet they *wish they hadn't played truant* last month.

- How do you **deal with stress** before exams or important meetings?
- Do you remember any exam you had to **retake**? Why? What happened?
- Have you ever **played truant**? What were the consequences?
- Have you ever cheated in the exam? How? Why? Were you **caught red-handed**?

Describe the photo:

- Do you think it will be easy for her to **fall asleep**?
- What can **keep you awake** all night or make you **stay up late**?
- Have you ever **overslept** or stayed in bed for the whole day?

# Thanks
